▢ AL

Ñ/ Módulo PCB fabricado en aluminio para favorecer la disipación de temperatura. Placa de policarbonato interna para mejorar la reflexión lumínica. Luz perimetral. **E/** PCB Module made in aluminium in order to make easily the dissipation of temperature. Internal polycarbonate board to improve the light reflection. Perimetral light. **F/** Module PCB réalisée en aluminium afin de faire facilement la dissipation de température. Plaque interne de polycarbonate pour améliorer le reflect de la lumière. Lumière périmétrique. **P/** Módulo PCB feito em alumínio, a fim de facilitar a dissipação de temperatura. Placa interna de policarbonato para melhorar o reflexo da luz. Luz perimetral.
